Self-Perceptions of Multiple Identity Dimensions, such as race, social class, sexual orientation, gender, religion

Meaning-Making Filter  
Depending on complexity, contextual influences pass through to different degrees

Contextual influences, such as peers, family, norms, stereotypes, sociopolitical conditions

TRADUÇÃO: Margarida Goldstajn

Ao eleger Obama em 2008, os Estados Unidos da América pensavam ter deixado para trás o racismo institucionalizado que caracterizara sua história. Hoje, sabe-se que o que ficou para trás foi essa ilusão.

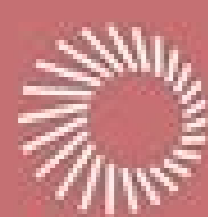

**Racismo Sem Racistas** é um livro para quem quer entender como o racismo se perpetua, consciente ou inconscientemente disfarçado em um discurso contestatório do politicamente correto.

Mas também, e principalmente, para aqueles, a grande maioria neste país, que ainda acham que a melhor maneira de combater o racismo é fazendo de conta que ele não existe.

Eduardo Bonilla-Silva, professor de sociologia na Universidade Duke, demonstra, com base em análises de casos e pesquisas de campo, como o discurso e a noção de que a cor da pele não importa (o “racismo da cegueira racial”) vêm sendo instrumentais para a permanência do preconceito. Ele desmascara os argumentos, as frases feitas e as narrativas que os brancos nos EUA usam para justificar a desigualdade racial. Esse não é, no entanto, um problema circunscrito a norte-americanos, como sabemos e como a polícia (daqui como de lá) constantemente nos lembra.

“Democracia racial” por definição, o Brasil tem larga experiência em disfarçar o racismo na sisudez das planilhas dos economistas. Inconveniente como todo bom cientista social, Bonilla-Silva nos faz reconhecer o racismo nosso de cada dia – nos outros, mas também em nós mesmos.

A coleção **Palavras Negras** reúne textos de intelectuais negros e negras, produzidos em diferentes contextos, como o acadêmico e o dos movimentos sociais. O objetivo é lançar e reeditar obras que contribuam para a análise das relações raciais no Brasil, abordando também questões de gênero e classe. **Palavras Negras** que inspirem reflexões e ações antirracistas.

# RACISM WITHOUT RACISTS

Color-Blind Racism and the Persistence of Racial Inequality in the United States

EDUARDO BONILLA-SILVA

## 4 DOMAINS OF POWER (HILL-COLLINS, 2009)

"University of Missouri shakes a signal to other schools, experts say." Retrieved 23 September 2016. Section on racial and ethnic minorities. doi:10.1093/socpro/spx006. ^ Bonilla-Silva, Eduardo (1997). Retrieved November 1, 2016. (Our About page explains how this works.) If you don't see a problem with the information, please write to Scholars@Duke and let us know. In all my work, I advocate that racism is fundamentally about "racial domination", therefore racism is a collective and structural phenomenon in society (see my ASR 1997 on this subject). What We Shall Be, What We Are, And What We Shall Be: The Racial Problem of American Sociology [17] This publication comes in light of Bonilla-Silva's new position as president of the American Sociological Association[18]. He considers this new position in conjunction with the problems that ^ like him try to solve in the context of ^ relations and racism. In 2018, he was president of the American Social ^ Association[2]. This biography of a living person depends very much on references to primary sources.
